All clear from RA office here.
Thanks

Jon

EPA INTERNAL DELIBERATIVE

Hi Beth and Joyce,

I am forwarding you an inquiry sent to the R3 and R5 RAs from Robert A. Bilott, an attorney in Ohio, requesting that EPA consider new health effects data to evaluate the 0.40 parts per billion (ppb) site-specific action level for perfluorooctanoic acid (PFOA) in EPA's 2009 consent order with DuPont's Washington Works Facility in West Virginia.

Attached is a draft response for the Agency. Could you review and provide any edits?

Thank you for your time. Please contact me with any questions or concerns.

Best wishes,
Heather
